

# SMART Goals for Exam Preparation

## Specific

What exactly do you define as success in relation to this exam?

## Measurable

Ways to measure an exam-related goal include pass/fail or reaching a specific score.

## Achievable

Do you have a clear, actionable plan how you will work toward the goal?

## Relevant

How does passing this exam with which grade affect your overall career goals?

## Time-bound

- When is the exam?
- When will you have achieved which step in your study plan?
